

Eligibility criteria for Indian Olympiad Qualifier in Mathematics (IOQM), 2022 - 2023

1. Students born between **August 1, 2003** and **January 1, 2010**, and studying in Class VIII, IX, X, XI or XII, are eligible to write IOQM. **Please note that NO student born after January 1, 2010 will be allowed to write IOQM.**
2. Students satisfying criterion 1 above and studying in Kendriya Vidyalayas (KV) and Jawahar Navodaya Vidyalayas (JNV) are **ELIGIBLE** to write IOQM. There will be **NO** separate IOQM for students of Kendriya Vidyalayas (KV) and Jawahar Navodaya Vidyalayas (JNV).
3. The INMO 2022 Awardees are eligible to write INMO 2023 **WITHOUT** qualifying through IOQM provided they fulfil the eligibility criteria of IMO 2023 and EGMO 2024.
4. The students must be eligible to hold Indian passport. Provisionally, students with OCI cards are eligible to write the IOQM subject to conditions as explained below:
As per the orders of the Madras High Court, students with OCI status will not be eligible for selection to the Indian team in the International Mathematical Olympiad. However, such students are provisionally eligible for selection at ALL prior stages, up to and including the IMOTC provided they fulfill all other criteria. They are also provisionally eligible to write the selection tests at the IMOTC. This policy is subject to revision without prior notice depending on any further orders issued by the courts, or by a competent Government authority.
5. The student must be residing and studying in India since 30 October 2020 or earlier
OR
must be studying in an Indian school system since 30 October 2020 or earlier.
6. The student must not have completed (or scheduled to complete) class 12 board examination earlier than 30 October, 2022.
7. The student must not have commenced (or planning to commence) studies in a university or equivalent institution by 1 June, 2023.
8. It will be the responsibility of the student to ensure that the above eligibility criteria are satisfied. In case it is found at any later stage of the programme that a student does not meet the eligibility criteria, he or she may be disqualified from the programme.

Criteria for qualification from IOQM to INMO

1. The list of students qualified for the INMO 2023 will be prepared according to the following rule:
 - (a) Top **600** in IOQM merit list will qualify for INMO regardless of regional quota. In this pool
 - i. the number of class XII students will be **100**.
 - ii. the number of class VIII, IX, X, XI students will be **500**.
 - (b) From each region (including KV and JNV), a minimum of
 - i. **25** students (class XI or below category)
 - ii. **5** students (class XII category)
 - iii. **3** girl students from class XI or below category irrespective of the number of girl students qualifying in 1.(b).i. above

will qualify for INMO regardless of the scores provided each qualifying candidate has a score above a minimum cut-off score of **30%** of the total marks of the IOQM paper.

- (c) **No girl student of class XII will be selected under girls' quota.** A girl student of class XII can qualify for INMO from IOQM if, and only if, she is selected among the top 100 students in the class XII category mentioned in 1(a)i.
2. A maximum of **6** students (provided each qualifying candidate has a score above a minimum cut-off score of **30%** of the total marks of the IOQM paper.) will be selected from the category of students residing abroad and studying in an Indian school system different from Kendriya Vidyalaya (KV). Among these 6 students, **no more than 1** student will be from **class XII category** and **no more than 5** students will be from **class XI or below category**. There is no separate girls' quota for this category of students.

IOQM Certificate criterion

Any student who scores at least **20%** of the total marks of the IOQM paper will receive a certificate.
