

Eligibility criteria for Indian National Mathematical Olympiad (INMO), 2023

The following individuals are eligible to write INMO 2023 to be held on **Sunday, January 15, 2023**.

1. All those students who are selected to write INMO 2023 through IOQM 2022-23 held on **Sunday, October 30, 2022**.
2. The students whose names appear on the list https://olympiads.hbcse.tifr.res.in/wp-content/uploads/2022/09/IA2022_For_INMO2023.pdf .
3. It will be the responsibility of the student to ensure that the above eligibility criteria are satisfied. In case it is found at any later stage of the programme that a student does not meet the eligibility criteria, he or she may be disqualified from the programme.

Criteria for qualification from INMO 2023 to IMOTC 2023

The following criteria will be used to select students for IMOTC 2023:

The top 60 students from the INMO 2023 Merit list will be selected for IMOTC 2023. Out of the 60 students, 12 will be from Class 12 and 48 will be from class 11 or below. Additionally, 5 girls from class 11 or below will be selected in the girls' quota. The segregation to junior and senior batches will be done after the list is finalised. The senior batch will consist of the INMO 2022 Awardees in the list of selected students for IMOTC 2023 from INMO 2023. The remaining students will constitute the junior batch.
